forContent module version 1.1 RC - Modules

NEWS_PDF_AUTHOR: voltan

NEWS_PDF_DATE: 2011/3/6 2:09:39

We have ready **forContent** module version 1.01 RC for test and debug .

forContent is a new version of content module by formuss, and we have added some other options in this version . It's a simple module for building static and dynamic pages in your website .

Please help us to test this version. We would like release it ASAP, after successful testing.

You can download this version from here
