The Legends of Mernac, home of free fantasy fiction and the best art on the web, is currently looking for web developers, programmers and designers to join their ranks. They will work with the development team to maintain and create modules for the current XOOPS CMS.

What is in it for you? Participants will be compensated with revenue generated by advertisements on the site, site memberships and other avenues on Mernac. There will also be numerous opportunities to show off your skills in any of the Mernac Programming Contests.

Interested parties should join Mernac and contact Lucia/Serephina to get started!!
