12 New Themes from Tad0616 - Themes

NEWS_PDF_AUTHOR: Mamba

NEWS_PDF_DATE: 2015/12/20 4:10:00

There are 12 new themes from Tad0616 from XOOPS Taiwan that you can download from our Theme repository on GitHub.

Tad0616 is doing great job with themes and he also developed several fantastic modules that I highly recommend to take a look at.

As always, we encourage you to fork the themes and modules, and contribute back to the developer!

Viva XOOPS! 😁

Download:

- beauty_class

- theme2014

- school2012

- school2014

- sailing

- randall

- randall_bootstrap001

- infoway

- corporate_blue

- bootstrap-biz

- white
