NEWS_PDF_DATE: 2003/10/4 18:04:47

Hi all,
i'm proud to present my first theme for xoops.
It's based on the default one but heavily modified.
I hope you enjoy it.

Features:

- Clock/date turns to welcome message/logout link when a user is logged in
- Graphical usermenu with blinkin'icon on new PM's
- Dhtml navigation bar
- Light and fast loading layout
- No left colum by default
- News on two columns by default

You can preview it here , log in with "userdemo" username/password and download it here

Please report errors at postmaster@madeinbanzi.it

Regards,ralf57
