

New Themes - Themes

NEWS\_PDF\_AUTHOR: Dr\_goodman

NEWS\_PDF\_DATE: 2002/2/5 18:46:06

There is 43 themes to download and all is modified for RC2.

Does this sound tempting?

You can pick them up [here](#)

Most of themes are by Xend and, please don't put them up for download on your site. It makes it impossible to count the number downloaded. Instead put up a link in your DL page that points to the theme.

Thanks
