An Invision Power Board 1.23 (IPB) module has been made available for XOOPS 2.0.5.

What is IPB? [Invision Power Board](#) is one of the best Forums/Message Boards available for web sites period. It has been ported to a module for XOOPS by Koudanshi and can be found at www.bbpixel.com (formerly hosted at www.koudanshi.net).

On the www.bbpixel.com site you will find a volunteer support community that will assist you with the installation and upgrade. There are also converters to help you migrate from other Forums/Message Boards.
