Enterprise-X is a Corporate Presentation module for Xoops Content Management System.

Using Enterprise-X you can easily make professional presentation of your company/organization: what you do, what you offer, how you do it, price info, testimonies, case studies, etc...

Enterprise-X's layout is fully customizable by means of Smarty Theme templates.

Enterprise-X is delivered with a set of theme templates designed by IMAGO:THEME (<http://xoops.imagocn.net>) who is offering on demand commercial design for World clients.

For the most recent version and support, please visit <http://xoops.imagocn.net> and <http://www.guanxiCRM.com>

A real corporate site using Enterprise-X can be found as demonstration at <http://www.China-Offshore.com>
