

Incama theme machine! - Themes

NEWS_PDF_AUTHOR: incama

NEWS_PDF_DATE: 2003/11/16 17:43:04

Two themes in one week, look at the new and one of the best (according to us) layout out there(ahum).

-Theme includes new ported (kde style) forum pic's (thanks to Everaldo, Javier Paniagua and Food).

-Download (in two weeks) includes layout psd/cpt (for editing your own logo).

-Missing are (yet) style sheets for Mac and Netscape (working on them now). They will be added in two weeks when we port the theme into the download section.
