
MyHoroscope 0.1 Module for Xoops - Modules

Posted by: AAINC

Posted on: : 2003/11/17 7:31:50

Daily Sun Sign Horoscopes for your visitors.
Has one block that opens a new window with Daily Horoscope.
Currently uses Iframe to call in Free Horoscopes from
<http://www.scopes-mart.com/webmaster/>.
I would like to see this progress into a self contained module.
No Reg Required For Download

Just upload into your modules folder and go to Admin CP and install in Modules.

View and download from:
<http://archangelartifacts.com>

PEACE
AAINC
