

New Theme: Multi_Color - Themes

NEWS_PDF_AUTHOR: Gilian

NEWS_PDF_DATE: 2003/11/25 19:17:31

Hello,

I've made a new theme, called Multi Color. As the name says it's a Multi Colors theme :P.

I must say, it was a quick made theme, so it isn't a very good one, but maybe someone likes it.

Please report any bus to me.

You can download it at the downloads section of this site (as soon as it's accepted).

Best Regards,

Gilian Keulens
