Well, I got bored one day, erg, today, and modified the fungku theme (original by pixelmayhem.com, and ported to XOOPS by mywebaddons.com and xendtech.com, thanks guys!!)

to fit my favorite of all hex colors #FF6800 ... for those of you who cant see hex in your head (I hope to god none of you), thats orange...check it out at my site. Download too. [Here!](#)
