Our newly revised site <http://fbcttogether.org> is now opened to anyone wishing to become a Registered FBCT Couples Support Group member/user. We offer two forms of membership:

1. Website membership (Web Only)
2. Active Support Group and Website membership (Full Membership)

You may, of course, have either, or both, forms of involvement.

Registered FBCT Couples Support Group member/users are allowed the additional ability to:

- comment and participate in the online information gathering process provided on this site (Any Membership)
- participate in FBCT Support Group activities (Full Membership)
- utilize privileged site services (Any membership)

Please invite your friends, family, and loved ones (affected in any way by this horrible disease) to join our community and share in supporting one another.
