Agenda-X V2.0 FINAL ! - Modules

NEWS_PDF_AUTHOR: wjue

NEWS_PDF_DATE: 2004/2/25 16:57:38

As it seems there is no major bug after several hundreds of people downloaded Agenda-X 2.0RC, the V2.0 FINAL is officially released.

I would thank all beta testers of Agenda-X for making this major release possible.

Chinese, English and French versions are included, I would be very grateful if document writers (either Chinese or English, or ...) could make a comprehensive tutorial for inclusion in the main distribution.
