Simple tutorial about Forum NewBB (Wrote in Italian) - Modules

NEWS_PDF_AUTHOR: Assone

NEWS_PDF_DATE: 2004/2/28 15:36:07

I'm going to release a new Xoops-Tutorial about Forum NewBB. In this first episode I'll try to show, with screenshot, how to configure the modules named Forum into Xoops. This my 3rd tutorial has been wrote in Italian Language.

You can find now it to :http://xoops.altervista.org

(I'm not bravo I am only enthusiastic about Xoops)
