Regsistration Check - Hacks

NEWS_PDF_AUTHOR: Society

NEWS_PDF_DATE: 2004/3/9 14:47:28

Another Hack from Blitzengineers:

If a want to registrate, you need to write the text of a random generated image in the register form. with this no scripts can add users automaticle.

see it in action:
http://www.djnews24.net/register.php

I will release it when i have time!
