

Spaw Extra Pack released - Hacks

NEWS\_PDF\_AUTHOR: ralf57

NEWS\_PDF\_DATE: 2004/3/21 16:42:50

Hi xoopers,

i'm pleased to release my pack/patch which adds some features to Spaw module.

In details i've:

- added new theme (classic)
- added new toolbar (article) that can be resized to 470px, if needed
- removed almost all hardcoded words and sentences, replaced by additional lang constants
- added italian language

See README file inside.

If you find any bugs related to mods i've done

please contact me at [postmaster@madeinbanzi.it](mailto:postmaster@madeinbanzi.it)

You can see a screenshot of Spaw and Soapbox working together [here](#)

and

download the pack [here](#)
