

Amazon bookstore module released - Modules

NEWS_PDF_AUTHOR: worlds

NEWS_PDF_DATE: 2004/3/29 6:32:22

Hi -

I've released an Amazon associates bookstore module. It's fairly simple, so far. But I'll be adding features.

It's available at <http://www.worldware.com/modules/mydownloads/>

It's running at <http://www.worldware.com>

Feedback is encouraged, both about the code, as it's my first xoops module, and about features, etc.

Tom
