

arabic themes - Themes

NEWS_PDF_AUTHOR: meme

NEWS_PDF_DATE: 2004/4/7 13:03:42

Dndon.net is the place for arabic themes 😊

just visit dndon.net then chose the theme from themes block after that go to [themes download section](#)

plus

[weather module](#) : grab weather to your xoops site with nice block [example](#)

[Random islamic media](#) : grab random media from other sites [example](#) (the second block at the right side)

[more xoops things](#)
