Agenda-X v2.1 with Group Permission Feature - Modules

NEWS_PDF_AUTHOR: wjue

NEWS_PDF_DATE: 2004/4/26 13:48:38

I just released Agenda-X 2.1 with integration of Xoops' new Group Permission System. This version is to be used with Xoops 2.0.4 and up.

I noticed some very creative usages have been appeared like Travel Diary (http://www.mice.com.tw).

Download is on this or (http://www.guanxicrm.com/modules/mydownloads/), please use our forums to report suggestion and bugs.
