Italian Unicode Faq with Xoops - YAXS

NEWS_PDF_AUTHOR: thecloud

NEWS_PDF_DATE: 2004/5/1 12:11:48

Hi to all,
I've decided to create an italian repository for Unicode related questione, character encodings, and similar.
I've used Xoops to insert all the strange, russion, korean, japanese chars so take a look

The site link is here at Uni-Cloud

Enjoy
Julien

Hi to all,

I've decided to create an italian repository for Unicode related questione, character encodings, and similar.

I've used Xoops to insert all the strange, russion, korean, japanese chars so take a look 😁
