

## Xoops Teamspeak Module Updated!! - Modules

NEWS\_PDF\_AUTHOR: talunceford

NEWS\_PDF\_DATE: 2004/5/3 9:41:34

This is the updated version of the Teamspeak Module that I have ported over. There are going to be a few different changes that I will be making over the next few days, so there will be updates!!

### **\*\*Release Note:**

Version V2.4 is updated to the latest authors code.

Also, make sure that you edit the xoopsroot/modules/xoops\_teamspeak/config.php & xoopsroot/modules/xoops\_teamspeak/admin/config.php files with your database connection information.

Updated all files to work with xoops themes.

You can get it at my site, <http://www.tswn.com>, in the downloads section of course!
