Hide/unhide notification options' table hack - Hacks

NEWS_PDF_AUTHOR: ralf57

NEWS_PDF_DATE: 2004/5/6 20:50:12

I've made a quick hack that allows to hide/unhide the notification options' table. I hope this could help themes developers to keep
the layout of the site clean. The hack can be downloaded here

Nice xoopsing to all!!! 😛

A preview can be seen below:

- Notification hidden:

- Notification shown:
