

Xoops is GRAY-T - Themes

NEWS_PDF_AUTHOR: Doops

NEWS_PDF_DATE: 2002/2/20 0:47:49

"Grayscale" is the fourth theme released by [Doops](#) this week.... looks like someone has been busy in the workshop!!! Lets hope his clients are impressed!!!

Anyhow, the theme sports a wonderful gray aura about it, with little 3D drop shadowed dividers and headers and footers, as you can see below in the screenshot included.

The theme can be downloaded here:

[Download "Grayscale"](#)
