

Mantis XOOPS port updated - Modules

NEWS\_PDF\_AUTHOR: gstarrett

NEWS\_PDF\_DATE: 2004/5/26 7:18:35

The Mantis XOOPS port has been updated to include the Mantis 0.18.3 release at it's core. Details on the new features and functions are available at the Mantis website (<http://mantisbt.org/>).

The Mantis XOOPS port is now being hosted at the XOOPS module development site, so go there for the Mantis XOOPS port for the latest information.
