

formulaire V2.4 - Modules

NEWS\_PDF\_AUTHOR: philou

NEWS\_PDF\_DATE: 2004/5/31 9:01:15

Thanks for all the remarks about the first release of formulaire V2.

I have corrected many bugs and I thank you for your feedback.  
Please download the module again and update your module.

Please, also, make all your remarks on <http://www.xoops-themes.org>, the official support site for the module (comments are not really useful for doing support :))
