

New Xoops Themes site - Themes

NEWS_PDF_AUTHOR: Bassman

NEWS_PDF_DATE: 2004/6/7 3:14:11

After toying around with a few themes, I decided to open my own Xoops Themes site. It's powered by Xoops 2.0.6 of course and currently there are two themes available for download.

These themes can be previewed at the site and no registration is required to download. Hopefully there will be many more themes to come in the future!
