The ABUL associatin (Association Bordelaise des Utilisateurs de Logiciels Libres) organises his 5th "Rencontres mondiales du logiciel libre" (Free Software World Meeting) (RMLL 2004).

This meeting will take place from the 6th to the 10th of July 2004 in Bordeaux (France). This year, the theme has been set upon the CMS. Several CMS groups have already accepted the invitation; Nuke, Zope, Spip, BolinOs, and OpenMCMS.

[Xoops France](#), along with [Xoops Themes](#) and [Xoops Modules](#) (the French Speaking Network) are going to be present, which will allow each and every participating member of the community to meet face to face in real life. Do not hesitate to let your interest be known on the <http://www.frxoops.org> if you want to be present in Bordeaux's meeting.

For more information, you can get in touch with the CMS representatives at; modz@altern.org or visit their site at <http://rencontresmondiales.org/>.

Updates on the meeting's events, conferences and workshop will be within the next few weeks.
