Plenty of new themes are now available on the WolFactory.

Discover the [Univers Pack](#) ! With WF_solaris, WF_terra, WF_luna !

Enjoy : [WF_AvP](#), dedicated to the soon to come Aliens versus Predator movie.

Grab [WF_spiderman](#), the famous blue/red Marvel hero based theme.

They are all visible on the current site (check the template box -> right column). Dont forget to vote for your favourite, and post your comments on my site or here.

Keep peeled more to come : alike the WF_Matrix (soon to be released) !
