## CMS Find Thanks the Xoops Community - News

Posted by: cmsfind

Posted on: : 2004/7/16 5:41:14

When we started CMS Find we contacted developers of content management systems. The Xoops Community was the first to respond with worldwide support for the CMS Find project. As of 15 July you have 64 web sites in the Xoops category. Thank you for your listings. To add more websites just visit us at [www.cmsfind.com](http://www.cmsfind.com)
