

Tiny Event Calender - Modules

NEWS_PDF_AUTHOR: chapi

NEWS_PDF_DATE: 2002/2/28 20:37:07

I did a tiny event calender. Users can submit events. Admins can submit, edit and delete events. The Events are shown as simple listing because i dont like the calender-view.

Features for next version:

- Ability to add events over several days
- Categories

Get it at <http://www.myxoops.de>
