Module Repository Cleaner Needed - XOOPS

NEWS_PDF_AUTHOR: Mithrandir

NEWS_PDF_DATE: 2004/8/17 12:01:35

We are about to clean up the whole file repository here on xoops.org as well as the repository on SourceForge.net

Since this is quite a large task, I would very much like some help with it.

Anyone with a bit of time to spare would be welcomed with open arms and a big thank you.

Tasks involved are:
a) Ensure that the file repository has no broken links
b) Ensure that the files listed are the latest version
c) Update listings to the latest version
d) Ensure that the files are in the right category

If you are available and want to lend a hand - contact me on mithrandir@xoops.org
