Xoops 2.0.7.1 Auto Login Hack Pack - Hacks

NEWS_PDF_AUTHOR: brash

NEWS_PDF_DATE: 2004/8/23 19:11:06

OK, for the lazy among us 😃 , there is one file (include/common.php) in the new 2.0.7.1 bugfix release of Xoops that overwrites GIJOE's awesome auto login hack if you have enabled it, so I put this pack together so all you have to do is unrar, upload, and update.

You can download the 2.0.7.1 Auto Login Hack Pack in RAR format from:

[size=x-large]>>>IT Headquarters
