

Maclegion Is Here! - YAXS

NEWS_PDF_AUTHOR: David

NEWS_PDF_DATE: 2002/3/5 11:06:22

As some of you may know I have been working long and hard on a Macintosh news and user group web site. It is finally open. We hope to establish a great site with loyal users while bringing you the most up2date news on the web.

I would appreciate any comments you have and hope to see all of you over there. Read, submit, even become a member of the staff. It has finally arrived, Maclegion.org
