Utada Net // UtadaNet.com - Yet another site that has been made possible by Xoops! the most versatile CMS around.

This is a new site devoted to the singer Utada, who is the latest topic of music industry talk and chatter. She will soon be releasing her newest album "EXODUS" to the US this October. It will feature the singles "Easy Breezy", "Devil Inside", & "Exodus '04" among others. Everyone keep your ears peeled for America's next biggest thing!
