

xComics 2.0 RC1 - Modules

NEWS_PDF_AUTHOR: Jan304

NEWS_PDF_DATE: 2004/9/19 13:07:36

Been a long time since there was a new release of xComics, but I haven't been doing nothing in that time. This time a brand new release. Fully rewritten, configfile has been dumped and been replaced by sql.

[Download xComics 2.0 RC1](#) | [Example](#)

* [Project page](#)

On a side note, I want to show my appreciation to Kazu and Ackbarr, without them this module wouldn't even exist... Thx!
