

Lucid Networks - www.lucidnetworks.ca - YAXS

NEWS\_PDF\_AUTHOR: madraver

NEWS\_PDF\_DATE: 2002/3/12 19:16:27

I have been working long and hard on a PC news and user group web site.

Dedicated to support and information on all aspects of business and home computing, (Networks, Graphics, Coding, WWW, etc.)

It is finally open. We hope to establish a great site with loyal users while bringing you the most up2date news on the web.

<u>Lucid Networks -- Your one stop resource for PC news and information.</u>
