We are building a dynamic on-line magazine for English and German expats living in the area of Roquetas de Mar, Almeria.

The site is expanding the Orange Pages as quickly as possible to cover as many aspects of regional life we can squeeze in. Time is short but the the days are long, and with a little help from Xoops we are getting it together.

We would really appreciate any feedback, tips, comments, advice, in fact anything would be great, so please feel welcome to call by for a visit our doors are open 24/7

The Xoops CMS has made the initial work a lot easier than it would have been to code from scratch, so thanks guys!
