online for a while this is to be the **official** announcement of [annabloom | dadaistics](#), powered by XOOPS.

even though registrations are currently not accepted, visitors are always welcome.

The site is simply an online writing project.

2 (will-be) novels:

[fast breakfast breaks](#) --> the older one, will probably not end up as a standalone text --> in some distant future

[Dart Forces of de Ark](#) --> rather recent; glossary novel; planning phase; slightly more complex than the breakfast breaks

along with a host of other, smaller writings.

[size=x-large]work in progress**[/size]**
