

## Shoutbox 3.0 RC1 - Modules

NEWS\_PDF\_AUTHOR: Jan304

NEWS\_PDF\_DATE: 2004/10/24 15:40:00

After having halted the development of the shoutbox for over 2 years, I thought it was time to develop a new version, that works completely on the XOOPS 2.0.x series.

The module is based on the original shoutbox of Alphalogic, who developed the original (e-xoops) version. The code has been rewritten completely tough...
