XM-Memberstats 2.0b - Modules

NEWS_PDF_AUTHOR: smdcom

NEWS_PDF_DATE: 2004/11/6 10:12:16

This is a member stats module. It shows online list with country detection block, members list, member ranks and membership statistics (today registration, yesterday and total members).

Screenshot(Memberstats Block):

Features:
* Advanced Membership Stats
* Members List
* Show Members Rank
* Online List With Country Detection
* Censored IP

ToDo:
1. Detailed membership statistic.
2. Country/Visitor statistic.
3. Add more functions to member list.

File Size: 526KB
Download: Download Here!!!

Feature Request can be posted in our forum. Thank You!!!

Regards,
SMD
