An alternative and additional site for the German XOOPS support (myxoops), opened and administrated by the former myxoops-administrator Brieze. [XOOPS-city.de](https://xoops-city.de) is meant as addition and enrichment for the German XOOPS world.

here are our most recent topics:

1. best of xoops version 1.3.x and 2.x (downloads)
2. support for (still existing) 1.3.x user
3. preconfigured xoops pakets (xoops2 with interesting modules)
4. interesting discussions about xoops within newBB2
5. german xoops-chat

the team of xoops-city.de will advise you (the german user) approximately in all interests around Xoops, qualitatively and quantitatively well.
