Fellow Xoopsers !

[The SmartFactory](#) is proud to release the final version of **SmartFAQ v1.02** !

You can download the package here : [SmartFAQ 1.02 Final](#)

As you may know, the version 1.02 of SmartFAQ introduced improved coding for better performance of the module (thanks to Mithrandir !). Since the release of 1.02 RC1 many little bugs were fixed and we now consider the module to be pretty stable.

If you have questions or comments about the module, feel free to visit [The SmartFactory](#).

Enjoy !
