

Nintendo Theme - Themes

NEWS\_PDF\_AUTHOR: Beejay

NEWS\_PDF\_DATE: 2004/11/23 7:43:52

Intense-Network.com have released a new theme called nintendo. This theme as you have probably guessed it is purple and was made because of the DS just coming out. Please download the theme [here](#) and preview it [here](#). You must be registered to download.

Please post your comments or any bugs you find in our forums or pm me here. Cheers
