

Nintendo Theme - Themes

NEWS_PDF_AUTHOR: Beejay

NEWS_PDF_DATE: 2004/11/23 7:43:52

Intense-Network.com have released a new theme called nintendo. This theme as you have probably guessed it is purple and was made because of the DS just coming out. Please download the theme <u>here</u> and preview it <u>here</u>. You must be registered to download.

Please post your comments or any bugs you find in our forums or pm me here. Cheers
