We are proud to announce the release of our forth theme, a Christmas theme. The theme has a nice background and is a colection of red, green, grey and white colours.

The theme can be previewed [here](#) and can be downloaded at the download section [here](#) (Registered users only).

Any feedback on this theme is appreciated 😊

A typo in theme.html that was displaying the right block incorrectly has been fixed. PLease click on the link to either download the theme or to fix the incorrect block. [Demo](#).

Cheers 😊
