

The making of a XOOPS theme - part 1 - Themes

NEWS\_PDF\_AUTHOR: being

NEWS\_PDF\_DATE: 2004/12/6 22:40:00

This tutorial is aimed at teaching XOOPS users how to make a XOOPS theme from scratch.

An excellent tutorial written for the less experienced user. Good attention to detail with plenty of explanation of all the stages of theme production.

Also see the second part here.
