[The SmartFactory](#) is proud to release the first Release Candidate of SmartPartner 1.0. You can download it here : [SmartPartner 1.0 RC 1](#) The different language packs can be found here : [SmartPartner Language Packs](#)

SmartPartner is an advanced Partners Management System for your XOOPS site. It features all the fonctionnalities of the original XoopsPartners module, combined with the features of the other Smart modules !

If you find any bugs or have any feature request, feel free to submit them in the trackers of the project at the [Developer's Forge](#).

Finally, if you translate SmartPartner in a language not yet available, we would appreciate if you could send it to us for inclusion in the SmartPartner package. You can send language packs at [partner@smartfactory.ca](mailto:partner@smartfactory.ca)

Enjoy SmartPartner !
