

Xoops finnish support site - YAXS

NEWS_PDF_AUTHOR: Pnooka

NEWS_PDF_DATE: 2005/1/7 11:14:07

It's here at last, a finnish supprt site for Xoops. At the moment there's only the main core installation of Xoops 2.0.9.2 in finnish langauge and two downloadable files there. One is a complete finnish installation of the latest xoops version and the other is the language files in one package. The site is at <http://xoopsfin.org>.
