Hello everybody,

We are proud to announce our new XOOPS-based website <http://www.My-Elegance.com>.  
The goal of [My-Elegance](#) is to stimulate the wearing of Fully Fashioned Nylons (seamed nylons) and providing information about these nylons and everything that goes with it.  
Everything in charming, elegant and decent way.

Sorry, it is only in the Dutch language at this moment (there is already a lot of information regarding our topic available in English on the internet).

**Thanks to all the XOOPS-developers and XOOPS-community!**

Be free to have a look and/or give your comments.
