

Epping Forest Band making sweet music in North London - YAXS

NEWS_PDF_AUTHOR: danand725

NEWS_PDF_DATE: 2005/1/21 12:07:19

I took the old "free" website down and used XOOPS to create a great new place for the band to exchange news and photographs. The idea being that I didn't have to spend all my time updating and writing content... using XOOPS, everyone can submit pictures and news.

Take a look, there is still a lot of work to do, you're all welcome to come along to one of our concerts.

(The site is on <http://www.eppingforestband.co.uk>, ed.)
